Voted Best of Frederick for Twenty-One Years

I opened New York New York in 1987 with one objective; create memorable guest experiences from talented professionals in a relaxing atmosphere.

We proudly serve the most extensive list of services in the region with an unparalleled level of educated, guest centric technicians. The Frederick community has honored us for twenty years as Best of Frederick, a humbling feat.

As an active member of our community we donate to, or serve with many organizations. We believe in giving back to the community that has given us so much.

I promise we will strive to exceed your expectations at every visit. We are ready to care for you and all your beauty needs.

MASSAGE

Our massage is customized to your individual needs. Beginning with consultation our expert technicians utilize professional techniques to address tension, stress and/or pain in a soothing atmosphere. This holistic approach brings mind and body into balance. 30/60/90 minutes.

Deep Tissue	60 / 90 / 135
Deep tissue is known for detoxification and muscular rehabilitation through specific deep strokes that break up adhesions or scar tissue.	
Hot Stone	na / 100 / 150
Basalt stones are heated and placed upon the body allowing the muscle to fully relax.	
Maternity	60 / 90 / na
Maternity massages addresses swelling, cramping, and joint pain from pregnancy by increasing circulation and reducing tension areas. Second and third trimester only.	
Modern Chinese Cupping	65 / 95 / 139
Silicone suction cups are used to pull lymph and toxins to the surface making it easier for the body to dispose them and maintain balance.	
NY NY Signature Massage	55 / 85 / 125
Our medium point massage technique and customized aromatherapy essential oils relaxes stiffness, detoxifies while harnessing mental well-being.	
Reflexology	65 / na / na
Choice of hands or feet. Stimulation and pressure is applied to reflex points associated with body functions and organs allowing them to heal and balance.	
Trigger Point Therapy	65 / 95 / 139
Perfect for pain management and migraines, trigger point therapy pairs relaxing strokes with deep pressure on trigger points releasing those tense areas.	
Sports Therapy (Pre/Post)	65 / 95 / 139
Pre therapy is moderate to deep pressure with fast pace soothing strokes including stretching and hot towels. Post therapy is light to moderate pressure Swedish technique incorporating mild stretching and hot towels.	
Swedish	50 / 80 / 120
Relaxed skilled hand motions create the ideal experience for stress relief and calming.
